ELK'S BARBECUE

Last of the season, the Elk's Barbecue on Saturday, October 22nd was a well attended affair, with all those who were present reported enjoying themselves immensely.

Head Elk Chief Bob Simons had a willing crew of helpers among other members of the Lodge and the sizzling, hot juicy steaks were done to a turn on the outside barbecue.

Arms from the luscious cooking steaks was waited all over that section of the town, and no doubt attracted many of those who were present to come in and try one of the tasty barbecued steaks.

Elk members say, "Watch for the

best barbecue in town
he will not disappoint.

STREET PAVING IS COMPLETED

Mason Paving Company have completed their paving project in the Town of Drayton Valley, at least for this season. In addition to the downtown "T" two blocks of 56th Street were paved from the corner of 56th Avenue to 56th Street.

Unusually ideal weather conditions proved a boon to the downtown merchants in the completion of the paving program. At the last phase, while the street in front of the Hotel was torn up a snowstorm or heavy rain would have left the street in a terrible mess, had we had an early winter. As it was the weatherman was in an indulgent mood and the job was finished as per plan, even if not quite as scheduled. The water tower is progressing very well and is right up to completion schedule. It will soon be completed and then will come the job of painting.

TO KEEP STREAM IRONS CLEAN

Your iron will last longer and give better service if you use distilled water which may be purchased at drug stores. This saves you the trouble of cleaning valves and vents which become clogged when you use tap water.

SWALLOW'S EIGHT NAILS
SWANSEA, Wales (Reuters)—A 13-year-old boy who proved he was not a "chickadee" was taken to hospital after gulping down eight two-inch nails on a dare. John Woodard swallowed the nails when a boy in his junior high school woodworking class challenged him.

OFFICIAL OPENING OF TOWN HALL

Drayton Valley's Town Hall was opened with appropriate official ceremonies Tuesday afternoon, November 8th. The short ceremony started promptly at 4:30 in the afternoon. Mr. Cumlin representing the Drayton Valley Chamber of Commerce as president, was master of ceremonies for the inauguration program. His worship, Adrian Meier, Mayor of Drayton Valley gave the address of welcome to the assembled group, and, on behalf of H.D.C. Construction Company, contractors who built the town hall, turned the keys over to Town Secretary-Treasurer, Mr. Johansson, who thereupon opened the door of the front entrance.

The Reverend Russell Brown prayed the dedicatory prayer over the building. His Honor J. Percy Page, Lieutenant Governor of Alberta, performed the official ceremony of cutting the ribbon and the building was declared officially open.

Vision and guests then went into the town hall on a tour of inspection. On hand for official ceremony was Mr. Jack Deakin, of the Edmonton Journal, Mr. Bill Hoggis, News editor for CFRN-TV and Mr. Vic Wisniewski, cameraman for CFRN-TV. Under the direction of Mrs. Kathy Bright a group of Brownies toured the building. Cameraman Wisniewski recorded the Brownies on TV film, which along with other shots taken at the time will be shown at 1:00 p.m. this coming Sunday. Included in the show will be Brownies Alison Waugh and Karman Vig, talking with His Honor the Lieutenant-Governor.

The banquet which began at 7:30 in the evening, in the Cardium Room was well attended by local persons and visitors. After the singing of O'Canada, Chairman Cumlin introduced the dignitaries at the head

table. Included among those seated at the head table were Mrs. Wood MLA; Mr. Ishister, former Town Administrator; Mrs. Margo Meier, His Honor, J. Percy Page, Mr. Cumlin, H. Hugh Horner, M.D., M.P.; Mrs. Cumlin, His Worship the Mayor, A. Meier, Mrs. Ishister and Rev. Fr. Scriven. On the opposite side were seated Mrs. Ewanilo, the Reverend Brown, Mr. W.R. "Bud" Brunelle, Mayor of Edson, Mrs. Lefstus, Mr. D. McKenzie, Mrs. Brunelle, Mr. Tony Lefstus, Mayor of Thorby, Mrs. McKenzie, Mrs. Brown and Mr. J. Ewanilo.

Grace was said by the Rev. Fr. Scriven. Toast to the Queen was proposed by Mr. Don McKenzie. Following the opening remarks by the Chairman Cumlin, an Address of Welcome was made by His Worship the Mayor, with the reply to the Welcome being made by Dr. Horner M.P. Two presentations were made during the course of the evening. First presented was an honourarium

District Personalities

MR. ERIC EDHOLM - Photo by Curt's Studio

Eric Edholm was born in Edsle Sweden in 1894. He came to the United States in 1910, and worked for a year in Wyoming. Then he decided to come further north, and landed in Edmonton Christmas Eve, 1911.

For the next few years he worked in the camps and then in 1914 hearing of the proposed dam on the Saskatchewan River near what is now Drayton Valley, but which was then known as Poweshong, he came in to get a job. But the World War I came on at that time, and the power project was abandoned so Mr. Edholm took up a homestead the following spring. He tried to enlist in the army but was turned down for medical reasons. For the next few years he worked in lumber and the camps in the winter

and cleared his homestead land in the summer. In 1947 he sold his farm to Mr. Lewis Williams, and the following spring he bought the Red and White Stone, where there is a supermarket in now located. He ran the store for the next five years, selling it to Mr. Getzinger at the end of that time.

In this picture, Mr. Edholm is seen in the regalia of the Elks Lodge. He joined the Lodge in Ennawie in 1963 and when the Lodge was formed in Drayton Valley in 1967 he transferred to the local lodge. In point of years he is the oldest member of the Drayton Valley Lodge and was recently granted the first life membership to be given by the local lodge. The life membership was given to Mr. Edholm in recognition of faithful service.

Local Crops Set Record

As a result of the very excellent summer and fall we have enjoyed this year reports from farmers of the district indicate that record and near-record crops and gardens have been raised.

Carl Anderson had some Vantage barley which yielded eighty bushels to the acre. He harvested over a thousand bushels off fourteen acres. Oscar Johnson, just across the road from the Anderson farm had a field of oats which yielded eighty bushels to the acre. Cabbage of nearly twenty pounds in weight have been reported, along with some whopping carrot potatoes and other vegetables.

It is a fact that this particular section has been very fortunate so far as rain was concerned this fall. Just across the river from Drayton Valley and north of here, at Birdville they had some quite heavy rains which we never received. As well the farmers the merchants of Drayton Valley have managed to feel very thankful for the dry, late fall, as it enabled the paving company to finish the paving project.

HIS HONOR, LIEUTENANT GOVERNOR J. PERCY PAGE CUTTING THE RIBBON TO OFFICIALLY OPEN THE DRAYTON VALLEY TOWN HALL. LEFT IN THE PICTURE TO THE LEFT IS MR. W.D. JOHANNESEN, SECRETARY-TREASURER OF THE TOWN OF DRAYTON VALLEY AND SECRETARY-TREASURER OF THE CHAMBER OF COMMERCE, AND BACKGROUND IS MR. ADRIAN MEIER, MAYOR OF DRAYTON VALLEY.

WANTED
Girl wishes room and board or share with other girls. Apply: Mabel, at 318 or 283.

Muscular Dystrophy

The Muscular Dystrophy Association of Canada has chosen five-year-old Debbie Selmes as poster child for its 1960 campaign.

Debbie was born with muscular dystrophy, but her mother Mrs. Albert Selmes, didn't know this until she began to worry about Debbie's ability to crawl. At the time when most children are learning to get around, Debbie remained listless and passive. "She is just slow," said friends, but time went on and Debbie still showed no signs of being able to scramble around like most children.

Finally, Mrs. Selmes consulted a specialist at the children's hospital. It was the doctor's sad task to inform Mrs. Selmes that her daughter had muscular

D.V. Highlights

By: Edith Deby

Mr. and Mrs. Karl Wahl and Mr. and Mrs. Walter Krause attended Barhead Rotarian Chapter night on Monday. They went early in order to visit with Mr. and Mrs. Arnold Larkin, formerly of Drayton Valley.

Mrs. Lane Peck expects to leave before Christmas to spend the winter with her daughter and son-in-law, Mr. and Mrs. Andrews, in Vancouver. Before coming home next spring she will spend some time with another daughter, Mrs. Frank Watson, in Agassiz.

Lester Miller's friends will be sorry to hear that he is quite seriously ill and is a patient in the Colonel McBurnie wing of the University Hospital.

Our best wishes for future happiness are extended to Mr. and Mrs. William Bruce Glen whose marriage was performed by the Rev. William Sayers in Central United Church, Calgary, on November 1st. Bill and Bonnie will make their home on the family ranch near Lodgepole for the present.

Mrs. Dave Glas, who underwent surgery for a serious heart condition, in University Hospital recently is convalescing well, and it is expected that in future her health will be better than it has ever been. Best wishes for an early and complete recovery Mrs. Glas.

Riding Club News

The Carleton Riding Club held a treasure hunt on Sunday after noon at the McCullough Farm 1 mile north of Rocky Rapids with ten riders participating. Clues were placed on various parts of the farm, which eventually led to the treasure that was hid in the hayloft of the McCullough barn. After all the riders had returned from the hunt a delicious chicken dinner was served. Riders taking part in the hunt were Steve Reddin, Linda Cathers, Harley Vig, Betty McCullough, Russ Majors, Margaret McCullough, Patty Maicas, Carol McCullough, Danny Kline and Shirley Titchard. "Maggie and Iggy" or the winning pair was Betty McCullough and Shirley Titchard.

MUNICIPAL PARK - EASYFORD - November 8th. --- Work started today on the clearing of the Municipal Park on Section 9 Township 80 Range 8 West of the 6th Meridian about 3 miles north and east of the Easyford Post Office.

The Park is situated on Pembina River where the creek flows into the river. The whole 1/4 section is being cleared for a park but only about 10 acres will be improved for a start.

Plans are being made for a picnic ground, swimming beach, parking area, playground and out door barbecue. Department of Highways have agreed to put in necessary roads. This park will be for all the people in the town of Drayton Valley and the surrounding districts. If any one has any suggestions or ideas concerning it get in touch with Mr. H. T. Deby who is in charge.

Reg Ross and his palpitating orchestra, the Rivers Caravans, provided music for the evening.

Lions Social Night

The Drayton Valley Lions Social Night, which took the form of masquerade dance, held at the Elks Community Hall, on October 14th, turned out to be quite a hilarious affair with everyone present in full Halloween masquerade costume. Some of the get ups of the participants were really very well worked out.

Outstanding among all the very good costumes was that in which Lyt and Mildred Krauter were decked out. Krauter made cave-man, and came in dragging cave-girl Mildred by the hair of her head. Another burly cave-man was Don Booker whose picture appears in this paper.

Among those winning prizes for good costumes were the Krauters, Henry and Vicky Zuck, Don Booker, Lorne and Beryl Stevenson, Carl and Willi Cynke and Curt Clauson.

Reg Ross and his palpitating orchestra, the Rivers Caravans, provided music for the evening.

New Rotary Club In Barhead

A new Rotary Club got a good send-off on Monday, November 7th, when a new club held their charter night in Barhead.

One of the Edmonton Rotary clubs was the sponsoring club. District Governor Jim McCormack of Lacombe presented the charter, which was accepted by Charter President Dr. Bill Stiles.

HAS CANADA GOT AN OLD GLORY?

Yes, Old Glory is the name of a mountain in the Kootenay district of British Columbia, a few miles northwest of the city of Kamloops. The mountain is the site of Canada's highest meteorological station, which is located at a height of 7,792 feet. The nearby city of Kamloops lies just five miles from the international boundary. It became famous in the early 1900's as a goldmining town. To treat one from the mines a smelter was built at Trail, seven miles distant, in 1905. Now owned by the Consolidated Mining and Smelting Co., this smelter has become the world's largest producer of non-ferrous metals but virtually no mining has been done in the Kamloops area since the first quarter of the century.

The average rooster will eat about 80 pounds of food in the course of a year.

SOMETHING WARM AND HUMAN AND WONDERFUL HAPPENS WHEN YOU SEND FLOWERS BY WIRE. Try it. Open a heart with flowers by wire. You will almost feel the exciting response across the miles. For flowers are so warm and human, they really touch people. . . . DEEPLY. They're the next best thing to having you there in person. Next time you can't be there, send flowers by wire. Just phone us or come in. Lovely arrangements are available at \$5.00 \$7.00 or \$10.00 delivery anywhere. We guarantee quality and complete satisfaction.

A lie is like nitro-glycerine, the best on judges' test when it is going too fast and shatter confusion.

From Scoop's Notebook

On crutches recently was Jack Falls, after getting out of a two-week siege in Drayton Valley Hospital as a result of an operation on his knee. Jack soon discarded the crutches as he made a good recovery. Cause of the operation was a displaced knee cartilage.

Back in Drayton Valley is Ann Allen. Miss Allen was here for about a year with her mother and returned with her mother to England a year ago. Rumor says the cause of her return was one of Cupid's little arrows which mortally wounded her.

Rumor also states (we haven't been able to verify this fish story) but usually authentic sources tell us that Milt Jensen, of Moon Lake, took a fifteen pound pickeral, stretching a full 32 inches in length, out of the Pembina River this fall. Reason for not printing this account earlier: We did not want to start a fish rush in the Pembina.

Mrs. Bees, of Ponoka, has been a recent visitor with her sister Mrs. Dudley Edwards of Easyford.

THE ROTARY CLUB DISTRICT GOVERNOR 1960-61

J. S. (Jim) McCormick, D. G.
ROTARY DISTRICT 536

Drayton Valley Rotarians will have the honor of a visit from the District Governor for Rotary District 536 next week.

The District Governor, Mr. J. S. McCormick, of Lacombe, will meet with the local Rotary Club on Wednesday evening, at 7:00 o'clock, for their regular meeting in the Club Cafe.

Date of the meeting will be November 16th.

Lion vice-president Lorne Stevenson receiving the Blood Donor Plaque from Mrs. Simon who is making the presentation in behalf of the A.A.R.N. of which she is treasurer. In turn the Plaque will be presented in the memory of the late Mr. Joan Amde who was president of the local A.A.R.N. at the time of her death.

For the Library Board, Chairman Harry Zolmer is presenting Mrs. W. Krause, Librarian with a cheque in recognition of her services in behalf of the Drayton Valley Library.

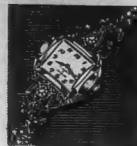

Mayor A. Meier addressing the group just prior to the cutting of the ribbon at the Town Hall opening. Mr. Page is in the foreground and Major Wakefield, Honorary Army Aide to the Lieutenant Governor is in the background.

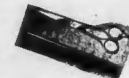

Behind the savage mien is Lion Don Booker, who wore this regalia at the Lions Club Social night, October 14th. Lion Booker deserved to win a prize and he did. He gave a repeat performance at the Devon Charter Night later. He is told the Devonian natives were somewhat more than surprised to see the savage looking Lion come busting in on their party.

LOOKING AT RECREATION

Com. from page 4 Col. 4

Next week I would like to suggest a few basic types of instruments for a new band. As I said before, I firmly believe that an outstanding town band can be formed here and as far as I am concerned I am going to leave no stone unturned in order that we reach our goal and have a new band marching down main street.

ART KIRBY: "We are bringing the Mountain to Mohammed" — you see — we're bringing an Art Gallery to Drayton Valley this winter. The Arts and Crafts Division of the Cultural Activities Branch is circulating 10 Travelling Art Exhibitions throughout the province during the winter months. These of these exhibitions, a total of fifty or more pictures will be shown here in Drayton Valley during the months of January, February and March. The exhibition will be under the direction of Dorothy Worthington and each exhibition will be shown for a period of approximately three days. In this case our only financial obligation will be to pay the cost of the express shipping charges to the next community on the Travelling Art Gallery schedule.

Mrs. Worthington has organized an art club in town and has arranged to have a qualified instructor come here on a monthly basis. With the Art Gallery and an active painting and sketching

club in town, the appreciation of the finer arts should deepen and increase.

ICE CHIPS: The way the beautiful autumn weather is holding out, ice hockey seems to be a far away and as unusual thing. When the temperature is in the fifties and the sun is shining with mid summer brilliance it is difficult to instill any real enthusiasm in the puck-chasing sport. One of these days, however, I expect the white blanket will cover our community and the old thermometer will take a sharp drop, then visions of the "National Pastime" will dance in the minds of young and old.

To date I have only some eighteen application forms completed by prospective players and only one man has assured me that he would coach hockey. I am not still dismayed or disheartened at this apparent lack of interest, because I remember a very similar situation in late August and early September in the football sphere and we all know where enthusiasm and interest stopped here — the sky was the limit. I certainly look for the same thing in hockey in its own good time. I would like to find a key man for our hockey program, a man keenly interested and achievement enthusiastic about the sport of ice hockey, a man who's football Harold Townsend or baseballs Ole Olson. The ultimate success of the winter program will depend a great deal on whether I can come up with such a man or not. Such men are

hard to find, but they are worth their weight in gold to any community recreation program.

It is far too early to prognosticate just what shape or form the seasonal hockey program will take. So much will depend on the enthusiasm and interest shown particularly by players. I would like to see a three league "Minor Hockey" program run in this town, a PeeWee League, a Bantam League, and a Midget League. Possibly I am setting my sights too high, but only time will tell. Pertaining to juvenile and intermediate hockey, again so much depends on the interest I can stir up among the men and youths of the community. The big question of all seems to be girls' hockey. — Will it ever get by the planning stage? Again, time will tell. — I don't think I think it will be a success here in the Valley.

AROUND AND ABOUT — The Ski Club met last Monday

to discuss their winter program and from what I can gather they have some very sound plans on the table and I would say that we can look forward to a very successful ski season in Drayton Valley. — The next 34 morning Athletic Association meeting will be held on November 17th in the Athletic Association Room of the Town Hall. — Everyone is Welcome. —

RECREATIONAL TRAINING SCHOOL

Some community in Alberta will have an opportunity to become the recreational and cultural training center of the province, if it is Secretary's Department to become the site of the new Recreational Training School.

The Recreational Bureau of the Branch has annually held its school in Red Deer in premises that are no longer adequate. Bureau officials are now scanning

communities in the province to determine where they may find the physical facilities required in the school which last year made a material contribution to the economy of Red Deer. Figures show that for the mid-summer four week long recreational school the board bill for the 180 students attending was \$15,000 which was spent locally.

In addition, a survey revealed that each student spent upwards of \$50 on personal expenses during his four week stay. This includes outlays for materials ranging from drugs through automotive expenses, florists, clothing and school supplies.

Increasing numbers of courses being required of the branch will result in an almost five month long period of school operation. Peak operation will be the four week long mid-summer recreational school, when residential and boarding accommodation, in dormitory form will be required

Cont. page 11, col. 1

The Chapel Hour

HIGHWAY OF FAITH by Harold Blake Walker Submitted by Rev. Albin Wright Drayton Valley United Church

One of the Paradoxes of our time is that we want God terribly, but we want God without moral discipline. We want God's peace and God's love without giving God's way. We want to tell us how to stop worrying, or how to find peace of mind, as if a few mental exercises could give us the peace of God.

We are forever searching for short cuts to peace of mind and for royal highways around the conflicts that torment us. We want God, but we also want to do as we please. A diplomat, coming from the peace talks at Versailles after World War I remarked sadly, "There we have every fear but the fear of God. Yet without the fear of God, leading to moral passion, there could be no enduring peace."

Plainly, we want inner peace, but we will not be utterly honest. We want life, abundant life, but we will not go the second mile, giving more of ourselves than anyone has a right to expect. We want joy, but we will not forgive. We want harmony at home, but we will not humble ourselves.

When we face the blunt fact that inner peace and life, joy and harmony demand spiritual and moral discipline we will be on the road to better life. Actually, the old hymn had it right. I must needs go home by way of the cross. There's no other way but this.

Gracious Father of mankind, forgive our foolish ways, our stubborn lack of humility, and inspire us anew to follow One whom may lead home. Amen.

UNITED CHURCH NEWS

The Members and Adherents of the Drayton Valley United Church Congregation held their Congregational Dinner on Thursday Nov. 22nd. A very delicious turkey dinner for 200 persons was prepared and served by the

Lloyds' Jewelry

BABY ON THE BLOCK. For the week of Oct. 30 to Nov 6th Nov. 3 - Mrs. Shirley Machan boy - 9 lbs. 6 1/2 oz.

Mrs. Machan may drop into Lloyds' and pick up her baby spoon.

Anglican Church W.A. Approximately 75 infants and children were cared for in the assembly hall of the United Church by the ladies of the Church of God W.A.

Following the dinner, a list of names as given by various laymen of the United Church. Mr. Harry Zolmer, General Chairman of the Section program outlined the work that the Church has done in the past and the work that the congregation is endeavoring to undertake through the present visitation program. Mr. Howard Cadmus spoke on the congregation proposal with regard to the Canadian and World Church and the pastoral Ministry. The balance of the proposal for 1961 covering Worship and Service Church Property and Christian Education were discussed by Mr. Howard Picop.

Mr. Frank Pryor, Chairman of the resources committee spoke of the resources that are available within the congregation to carry out the proposed program and Mr. Neil Fisher, Chairman of the visitation committee outlined the visitation program.

At the conclusion of the evening the congregation accepted by a standing vote the proposal that was put forth by the program committee.

Rev. Albin Wright acted as Chairman for the evening.

WELCOME LITTLE STRANGERS

ANGELICAN CHURCH NEWS

Members and adherents of All Saints Anglican Church in Drayton Valley gathered at the City Community Hall Sunday evening, November 6th, to

Are the Last Days upon us Now?

Dr. Charles E. Fuller

partake of a very excellent Fellowship Dinner. Occasion of the gathering was the start of the Section Plan of Visitation which is being undertaken by the church. Visitation Day has been set for Sunday, November 20th. Both the Anglican church and the United Church in Drayton Valley are enrolled in the later-church Section plan and members of the committee of both local churches have met with other churches in Edmonton to learn the latest ideas and plans for the visitation campaign.

Following Grace said by the Rev. Brown, Rector of All Saints, dinner was eaten after which followed introductions which were made by Mr. M.A. Smith, Master of Ceremonies. A devotional hymn followed, with a Scripture reading and prayer. Mr. W.H. Louth then gave a talk on "Our Church's Program" in which he spoke on the objectives of the church and the coming year. The objectives had been previously printed and distributed to each person present.

Mr. J.W. Tyler then spoke on "Our Church's Response" in which he mentioned the financial resources of the church both present and anticipated, needed to carry out the proposed program. In the absence of Mr. W.H. Adams, Rev. Brown spoke on the aspects of the proposed Visitation Day on November 20th.

At the beginning of the program a short film entitled "Through the Looking Glass" had been shown. The film presented scenes of typical members of a typical congregation discussing their church's new proposed program of finance and church projects. In the film a member was made up of just the hall mirror to portray the fact that the church was made up of just the individual members who are part of it, and that the church could progress only in accordance with the enthusiasm and zeal of each individual member.

The speaker for the evening, the Venerable W.T. Elkin, Archdeacon of Edmonton Diocese was not a stranger to Drayton Valley as he had been out here for a couple of years during the time of the church's

formation and building here, to the mid-thirties. He spoke eloquently of the Old Testament law of tithing and the New Testament law of Grace, by which the individual Christian may be guided in his church and mission giving.

A short question and answer period on the proposed program was then conducted by Mr. Smith, followed by the closing prayer.

All present were home encouraged and determined to see the work go forward for Christ and the Church.

Teach us, good Lord, to serve thee as thou deservest: to give and let to count the cost; to fight and not to heed the wounds to kill and not to seek for rest; to labor and not to ask for any reward, save that of knowing that we do thy will: through Jesus Christ our Lord. Amen.

SENTENCE SERMONS No man ever got away from hypocrisy by staying out of

But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed. Isaiah 53:5

Church. Perfection is composed of trifles but perfection is no trifles.

God trusts those who trust him.

It is better to be straight than to be smart.

If you are not made better by giving, double your gift.

Sin is never a success just because it has been granted a priority.

You cannot climb out of your slough; you must be lifted out.

RECREATION TRAINING SCHOOL (cont. from page 3)

For up to 200 students. Other courses such as drama will be required for up to 200 courses such as drama to music and crafts will be for less enrollment and for shorter periods of time.

Alberta communities seeking location of the school in their area, and who can provide required facilities, should get in touch with Miss E. McFarland, Recreation Supervisor, Cultural Activities Branch, Department of Provincial Secretary, Edmonton.

OFFICIAL OPENING OF TOWN HALL (Cont. from page 1, Col. 3)

to Librarian, Mr. Marjorie B. Knapp. Presentation was made by Mr. H. Zolmer, chairman of the Library Board, in recognition of the services she has rendered to the library. Next presentation was made by Mrs. Simon, in behalf of the Alberta Association of Registered Nurses. This presentation was made to the Lions Club for their winning the award for the most donations made to the recent Blood Donor Clinic. Mr. L. Stevenson received the plaque in behalf of the Lions Club.

Mr. W. D. Libster, who was former Town administrator gave a talk on the town as he knew it during the time he was here about five years ago. Mr. Libster went to the New Town of Hinton as administrator after he left Drayton Valley, and with the formation of the Town Council there, he was appointed to the new town of Swan Hills, where he is still working.

Mrs. Woods gave an amusing resume of the town from the time when she first knew it, as a hamlet of some 76 persons, through the early formative years when the oil boom first struck when the town was administered by the Department of Municipal Affairs, and when the road in here was merely a few streaks of mud.

Mayor Meier made the introductory speech before the address of His Honor J. Percy Page, Mr. Meier mentioned the fact that Mr. Page had coached the famous Edmonton Grads, a women's basketball team, which were world champions for seventeen years. Edmonton Grads might have held the world championship even longer, but with the onset of the War in Europe the famous team was disbanded. Mr. Page was in the coaching field for over forty years. He was Conservative MLA for an Edmonton riding for a number of years.

In the course of his talk Mr. Page echoed what is said by all others who are visiting Drayton Valley for the first time. "The size and the development of the

Town is much greater than we had expected." Mr. Page then related some interesting side-lights on his appointment to the position of Lieutenant Governor, and told of some of the duties of the office.

His Honor, the Governor was accompanied to Drayton Valley by his personal Aide, Major K. F. Wakefield, in the colorful uniform of the Loyal Edmonton Regiment. Major Wakefield served in the Middle East and New Guinea with the Australian army during World War 2. He is now Honorary Army Aide to the Lieutenant Governor.

Reply of Appreciation to the Address of the Lieutenant Governor was made by Mr. John Dwan in behalf of the Chamber of Commerce, and the Benediction was given by the Rev. Brown.

CWL Regular Meeting

The regular C.W.L. meeting was held Nov. 7th at the rectory with director Father Scriven and 18 members present. Betty Wetherham resigned from the presidency and Mrs. H. Braniski past vice-president is the new president. The delegates who attended the convention held in Edmonton were Mrs. R. McGregor, Mrs. D. Meray, Mrs. J. Shanty, Mrs. H. Vargoules and Mrs. K. Peterson.

An interesting article was read by our spiritual co-presenter Mrs. P. Nebo which was enjoyed by all. Father Scriven gave a talk on the mission to begin next Sunday. All parishioners are urged to attend and bring their friends.

Plans are underway for a tea and bazaar sale with a food hamper raffle to be held on Dec. 9, from 2 to 5 p.m. in the scout hall.

Hospital visitors for this month will be Mrs. P. Nebo and Mrs. J. Shanty and for Dec. Mrs. K. Peterson and Mrs. H. Vargoules.

After the meeting lunch was served by Mrs. O. Trudell, Mrs. C. Dion and Mrs. Shybel.

The class for smallest pointer at the Royal International Horse Show at London recently is dominated by Welsh and Durland pointers.

Vol. 8 No. 46 November 17, 1960. A. Playford, Publisher. Box 130, Drayton Valley.

GRIGORPOULOS INQUEST

An inquisition for our Sovereign Lady, the Queen, at Drayton Valley Town Hall on the 10th day of November 1960, before Dr. Brooks one of the Coroners of the said Sovereign Lady the Queen for the Province of Alberta, on view of the body of Sokratis Anthony Grigoropoulos then and there lying dead, the undersigned, good and lawful men, being duly sworn and charged to enquire for our said Lady, the Queen where how and by what means the said Sokratis Anthony Grigoropoulos came to his death, do upon their oath say: The jury find that Mr. Grigoropoulos came to his death October 28, 1960 in the road going from Lodgepole to the Braemar dam at approximately six miles south of Lodgepole, due to an accident between his own car and a truck owned by Calgary Power, and that the means of his death was due to serious head injuries received in this accident.

We recommend that all towing vehicles turn on their signal lights to indicate that there is a vehicle under tow and to draw attention of oncoming traffic. Jack Fallis, Lou Matlock, Ralph Bolas, Mike Molner, Les Bannard, William Davies, Jury.

CALGARY POWER ELECTRICAL FAIR

The Electrical Cooking School conducted by Calgary Power the afternoon of November 9th, in the Elementary School Auditorium and the Electrical Show, also conducted by Calgary Power in the evening were very well attended by residents of the community and held the interest of all those who attended. In the afternoon cooking school "Fashions in Food" about 150 ladies were present to witness the demonstration put on by Miss Bette Purves, B.Sc.

Colli. Adequate wiring was the theme for the first part of the evening performance. The second phase was headed "Adventures in Sound" and included demonstrations of the transmission of sound by light waves and by micro wave.

Among the Electrical magic shown was the "Mighty Magnet" and Tesla Coil in which 15,000 volts, at a frequency of 200,000 cycles jumped from the coil to two fluorescent light cylinders held in the hands of the operator to light them and make them glow. Also demonstrated was Cont. on page 10 Col. 3

LEGION REMEMBRANCE PARADE

Photo by Curt's Studio.

The revitalized Drayton Valley Legion staged a fine Remembrance Day parade on the morning of November 11th, followed by a Memorial service in the Elks Hall.

The Parade was headed by Commissionaire G. Hogg of the V.C.N. as Parade Marshal. Im-

mediately behind the parade marched followed R.C.M.P. Corporal Wilson and Constable Wessell, followed by members of B.B.S.L. Canadian Legion. Next in order was the Ladies Auxiliary of the Drayton Valley Canadian Legion, followed by Regatta Dr. L. Waugh and Drummer Rex Burrows, Members of the Boy Scout troop

brought up the rear. The group paraded from the Legion Hall to the Elks Community Hall for the Memorial Service

Following the singing of "O Canada" time. It now takes the jazz prayer was offered by the Reverend R. Brown, of the Anglican Church same journey.

District Personalities

MAURICE R. McCULLAGH

Maurice "Mac" McCullagh was born near Biggar, Sask. He attended elementary and high school in Calgary. He went to the high school of which Mr. Abernethy, originator of the Social Credit movement and first Social Credit Premier was the principal.

In 1937 his mother and he moved to the farm at Rocky Rapids. McCullagh joined the Air Force in 1940. He served in the air force as both pilot and navigator, and saw action in many parts of the world in Bomber Command and in the Ferrying Command. He was given the rank of Flight Lieutenant, and in 1945 was awarded the Distinguished Flying Cross.

Based in England, he took part in many of the famous bombing raids over Germany, flying Lancaster and Wellington bombers. After chalking up a certain number of air raids in the Bomber Command the flyers were given a while to "recuperate" in the Ferrying Command, so in 1941 P/O McCullagh was stationed in Montreal flying U.S. made Lockheed Hudson bombers from Montreal to Gander to Prestwick, Scotland, a distance of some 3400 nautical miles. The flights took eleven hours at that time. It now takes the jet about three hours to make the same journey.

He was later stationed on the B-

Photo by Curt's Studio
land of Malta and took part in bombing raids over Italy and North Africa. In a four month period there were over 1000 enemy bombing raids on Malta and with the blockade by the Italian Navy, it became impossible to keep the bombers in flying condition on Malta so they were moved out to Egypt. Later McCullagh was again assigned to the Ferrying Command, flying planes, which were delivered by boat to Sierra Leone, from the Sierra Leone port to Egypt.

In the course of his many bombing raids and ferrying flights P/O McCullagh came through remarkably well. He still carries a flak scar up the full length of his back where a flak fragment came through the belly of the plane, ripped up his back inside of his parachute harness, went through the roof of the plane and vanished into the wild blue yonder, leaving its mark on McCullagh's back as it passed. He says he had been sitting just a couple of inches further back he would have had it that time.

Later in 1943 he was retired from active duty and returned to Calgary where he was flight instructor in the R.C.A.F. base. He instructed in the flying of both single and twin engine planes.

At the end of the war McCullagh went into the construction business. Operating heavy construction equipment all over Alberta, from seismic trails at Keg River in Cont. on page 3 Col. 3
